DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on December 26, 2006 has been entered.

2. This application is in condition for allowance except for the following formal matters:

Claim Objections

Claims 57 and 61 are objected to because of the following informalities:

Re claim 57: Substitute the term "this" with the term -- the -- (see line 2).

Re claim 61: Substitute the "the method" with -- The method -- (see line 1).

Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Allowable Subject Matter

3. Claims 43-62 are allowable over the prior art of record.
4. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fail to teach or fairly suggest, in conjunction with other limitations in the claims, a microcircuit card assembly comprising in combination, a base with a pocket for holding a small card; a preliminary base card larger than the pocket and having a weakened line that delimits the small card that is detachable from the preliminary base card at the weakened line. The small card includes an antenna and a microcircuit (see applicants arguments filed December 26, 2006).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
